

2020 KSFFA Memorial Service

Memorial Prayer

Lord, as we remember those you have called home having served in the Kansas fire service, be with their fellow firefighters and families. Protect and strengthen their families, friends and co-workers who miss their presence and companionship. Protect the communities that they have served. Strengthen those that now serve in their place to provide service to others in need. In Jesus name. Amen

The circumstances surrounding our world this year may call for distancing from others as we fight the spread of a virus. But our past heroes are still remembered for the service they provided. Death is the ultimate distance in life but in life we can lift each other up with encouragement, calls, and sharing the work that remains...working together as those before us have demonstrated so many times before.

The Fireman's Prayer

When
I'm called to duty
God wherever flames may
rage give me strength to save a
life whatever be its age
Help me to embrace a little child before
it is too late or save an older person from
the horror of that fate
Enable me to be alert to hear the weakest
shout and quickly and efficiently to put the
fire out
I want to fill my calling and to give the best
in me to guard my neighbor and protect his
property
And if according to your will I have to
lose my life bless with your
protecting hand my children
and my wife.
